

Dear Guests of Zirlerhofs,

COVID19 is unlikely to let go of us this summer.

So that we can still offer you a reasonably normal holiday pleasure, there are a few points to consider and to adhere to the already common COVID19 measures, which can be found at <http://www.zirlerhof.at/eigenesweb-en/PDF-en/So-en.pdf> .

According to the current state of affairs, the 3-G rule, "Vaccinated-recovered or tested", applies when you register.

Every external guest, who enters our campsite has to present a "Covid19 negative proof" without being asked.

A list of the test options in our region can be found at <http://www.zirlerhof.at/eigenesweb-en/PDF-en/WTG-en.pdf> , prior registration is required.

Regulations for entry from abroad can be found on the website of the Ministry of Social Affairs at <https://www.sozialministerium.at/Informationen-zum-Coronavirus/Coronavirus---Haeufig-stellen-Fracht/FAQ-Einreise-nach-Oesterreich.html>.

This information is without guarantee, please inform yourself about the currently valid regulations before arrival.

Thank you very much

The Leitners
